SDSU SUMMER 2024 Money Matters

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory system wide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory system wide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code). Students will be liable for amounts that become due as a result of such change.

All Bursar Office holds **must** be cleared prior to registering for classes. Payments to clear financial holds can be made by cash, debit card, money order, check, ACH and credit card. Inquire through the [Cal Coast Student Financial Center](#) for more information.

my.SDSU.edu

[my.SDSU.edu](#) is the official online portal for student admissions, student records, financial aid, tuition and fee payment, and more. Use the navigation options below to learn more about how to best utilize and enhance your my.SDSU experience. For guides on how to pay tuition, setting up a payer account, or enrolling in direct deposit, please refer to the [student guides](#) located on the my.SDSU website.

Liability for Payment

It is the student's responsibility to be aware of total fees due regardless if a notice is received.

Students with an approved Petition for Late Schedule Adjustment must pay any fees that may be due because of the added units in addition to the **\$20.00** late schedule adjustment fee. The \$20.00 late schedule adjustment fee will be charged per petition. For example, a student who is enrolled in 6 units and has an approved petition to add 3 additional units would need to pay the tuition difference between part-time and full-time fees in addition to the **\$20.00 (per class) late add fee**. You may also incur a \$50.00 late registration fee if you have no units and are approved to late register for the term. Once the [Office of the Registrar](#) processes your request(s) you will be required to pay your Tuition & Fees within 24 hours.

Please note: Dropping a class after the schedule adjustment deadline (based on Registrar's approved petition only) does not reduce your fee liability. If you are enrolled in 9 units and drop 3 units, you will still be liable for 9 units of enrollment and full-time Tuition and Fees. In addition, if you are dropping and adding a course at the same time it does not cancel each other out. If you have 9 units of enrollment and you add a 3 unit course and drop a 3 unit course, you will now be liable for 12 units of enrollment.

Students submitting authorization to bill a third party for their Tuition and Fees will be held responsible for payment if the third-party agency fails to pay.

According to Title 5, of the California Code of Regulations, Sections 42380 and 42381, should a student or former student fail to pay any debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt" until the debt is paid.

Prospective students who register for courses offered by the university are obligated for the payment of Tuition and Fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay Tuition and Fees including any amounts due for the reservation of space in the course.

The institution may withhold permission to register, or other services offered by the institution from anyone owing Tuition and Fees or another debt to the institution. The institution may also report the debt to a credit bureau, offset the amount due against any future state tax refunds due the student, refer the debt to an outside collection agency and/or charge the student actual and reasonable collection costs, including reasonable attorney fees if litigation is necessary, in collecting any amount not paid when due.

If a person believes he or she does not owe all or part of an asserted unpaid obligation, that person may contact the [Cal Coast Student Financial Center](#).

Tuition and Fees

Basic Tuition and Fees are required of all students.

Nonresident students pay Basic tuition and Fees as listed below as well as an Out of State International Student Fee and an additional per unit tuition fee (see Nonresident tuition section below).

Graduate Business students pay the Basic Tuition and Fees as listed below and additional per unit tuition fee (see Professional Business Fee section below).

Campus Fees are determined by your home campus (the campus to which you were admitted). If you transfer from one campus to another, you will be subject to paying fees from your new home campus.

Thesis extension, other zero unit courses and half unit courses are charged as one unit for fee purposes. Auditors pay the same fee as students carrying courses for credit.

As a part of SDSU's strategic plan to provide more opportunities for student success, a reduction in the Basic Tuition fee has been approved for undergraduate students taking 3 units or less in the summer at both the Main Campus and Imperial Valley. This rate structure will be assessed in future years to determine its effectiveness and sustainability.

Equitable Access Fee

[Equitable Access](#) is a program that provides every SDSU undergraduate student access to their required textbooks by the first day of class, **all for \$19.75 per credit**. This program will provide all undergraduate students with access to their required course materials before the start of classes and they can keep that access through the add/drop date **of the summer session in which you are enrolled in**. The program provides undergraduates with predictable pricing which allows them to budget for their course materials semester to semester.

Here is more information on [How the Equitable Access Program Works](#).

Immediate Access Fee

The Immediate Access (IA) Program is designed to help graduate students save money and have digital access to their materials by the first day of class. The Immediate Access Program is a team effort between the Bookstore, San Diego State University, the faculty, and the publishers to provide students with the best cost savings.

For more information please visit the SDSU Bookstore [website](#).

Late Registration Fee

The Late Registration fee of \$50 is assessed to students who enroll after official registration has closed. Students who initiate registration on or after the First day of classes will be assessed the \$50.00 fee which will automatically be posted to your student account. Students admitted late to the university may be exempted from this fee.

Parking Permits

Summer 2024 parking permits can be purchased online through the [AZTEC Parking Portal](#).

For additional information regarding parking permits, please visit [Parking Support Services](#).

Payment Options

Summer Tuition and Fees due July 11, 2024

Online - ACH (Electronic Check):

You may pay your Tuition and Fees, and other charges using the [ACH payment option](#). This is just like writing a check, but you will make the payment online. There is **no additional charge** for this option. You will need your bank routing and checking account number, which is not the same as your debit card number.

If your electronic check for Tuition and Fees, is returned by the bank to the Student Account Services Office ***for any reason***, your registration may be canceled and you will be billed a \$35.00 dishonored payment charge and a \$20 late fee when applicable. Non-payment of Tuition and Fees may result in cancellation of your registration and withholding of further services until all financial liabilities have been resolved.

The university reserves the right to refuse payments by electronic check from those individuals who have previously had items returned unpaid by their bank. **Please Note: If your electronic check writing privileges are revoked, you will have to wait one (1) year to be reinstated.**

Online - Credit Card:

Students are able to use MasterCard, Visa, American Express, and Discover Card to pay Tuition and Fees using **Cashnet - Transact SmartPay**, our secure third party vendor. The University Bursar's Office does not accept credit cards for payment of Tuition and Fees, except as applicable under the terms of the Installment Plan. Payments made using **Cashnet Transact - SmartPay** are normally posted to the students account in real time. **Cashnet -Transact SmartPay** assesses each customer a 2.65% service charge based on the transaction amount.

When using **Cashnet -Transact SmartPay** from your student account, you will be asked to select what you would like to pay for first, and then select how you would like to pay. At this point, you would select payment by credit card.

MasterCard, Visa, American Express and Discover Card charge cards are accepted for other payments, such as Housing, Parking, Health Services, Continuing Education, and miscellaneous over-the-counter payments. Students are reminded that banks will provide cash advances against credit cards if needed to cover registration payments. Most ATM cards are also accepted for payment of miscellaneous charges.

International Funds Transfer

SDSU has partnered with [Convera](#) and [Flywire](#) to provide a convenient and secure online payment option for international students.

All students paying in foreign currency should use the IFT option through Transact in my.SDSU. Payments are automatically posted to your student account once received.

Wires through [Convera](#) and [Flywire](#) offer favorable exchange rates and eliminate bank fees typically associated with wire transfers.

529 Plan Payments

A 529 plan is a tax-advantaged savings account designed to be used for the beneficiary's education expenses. The account holder can use the funds to pay all or a portion of a student's Tuition and Fees at SDSU. We recommend that you request funds a month in advance to ensure that our office receives payment in time for registration. Visit our [529 Plan](#) webpage for detailed information.

Mail – Checks or Certified Funds:

Tuition and Fees may be paid in full by personal check, money order, or certified funds. Checks should be made payable to SDSU.

Your Tuition and Fee check payment should be mailed to:

SDSU Bursar's Office
5500 Campanile Drive
San Diego, CA 92182-7425

Note: Please include your student's name and student ID# with your check payment.

Checks are accepted for the exact amount of the payment. Overpayments of \$10.00 or less are refunded only upon request. If your check for Tuition and Fees is returned by the bank to the University Bursar's Office ***for any reason***, your registration may be canceled, and you will be billed a \$35.00 dishonored payment charge and a \$20 late fee when applicable. Non-payment of Tuition and Fees may result in cancellation of your registration and withholding of further services until all financial liabilities have been resolved.

The university reserves the right to refuse payments by personal check from those individuals who have previously had items returned unpaid by their bank. Refunds may be applied against other amounts due the university. **Please Note: If your check writing privileges are revoked, you will have to wait one (1) year to be reinstated.**

Fee Waivers

In some instances, student's tuition and fees may be partially or fully paid by outside agencies or waivers.

CSU - Over 60 Fee Waiver Program

San Diego State University offers a fee waiver program for California residents 60 years of age or older. Both undergraduate and post-baccalaureate students may participate in the program.

The program waives the \$70.00 admission application fee and most of the basic tuition and fees. There is however a substantially reduced fee required to be paid each semester in order to attend. Please contact the [Student Financial Center](#) for the current fee amount. Participants must apply for admission during the regular application filing period and be admitted under regular [SDSU admission requirements](#).

Participants register for classes on a space-available basis after regularly matriculated students have completed registration. For additional information, contact the [Prospective Student Center](#) at (619) 594-6336.

CSU - Alan Pattee Scholarships

Children of deceased public law enforcement or fire suppression employees who were California residents and who were killed in the course of law enforcement or fire suppression duties are not charged the system-wide mandatory fees or tuition at any California State University campus, according to the Alan Pattee Scholarship Act, California Education Code, Section 68121. Please be aware however campus fees are not waived and payment of these fees are the responsibility of the student.

Failure to do so will result in your fees being deducted from your financial aid award or fees remaining outstanding, placing you in jeopardy of being canceled from classes. Students submitting authorization to bill a third party for their fees will be held responsible for the payment if the third party agency fails to pay the fees within the semester of attendance.

VA Vocational Rehabilitation (Chapter 31)

Veterans receiving Vocational Rehabilitation benefits (Chapter 31) must contact the Joan and Art Barron Veterans Center (Student Services West 1661) to submit a student responsibility agreement by their fee payment due date. VA Post 911 GI Bill Benefits

Veterans receiving Post 911 GI Bill benefits must contact the Joan and Art Barron Veterans Center (Student Services West 1661) and turn in an approved VA Certificate of Eligibility (COE) and their student responsibility agreement by their fee payment deadline. Failure to do so will result in your fees being deducted from your financial aid award or fees remaining outstanding, placing you in jeopardy of being canceled from classes.

Cal Vet Fee Waiver-Eligible Dependents of Deceased or Disabled Veterans

Eligible dependents receiving the Cal Vet fee waiver must submit an approved letter of eligibility issued by the County VA for the current Academic Year to the Joan and Art Barron Veterans Center (Student Services West 1661). This must be submitted by your fee payment deadline. Once submitted the VA Office will notify the Bursar's Office of your eligibility and it will be posted to your student account.

Disbursement of Financial Aid and Scholarship Funds

All financial aid and scholarship payments are processed and disbursed by the **University Bursar's Office**.

Notification and Schedule

Disbursement for the summer term typically begins in June and continues throughout the summer as new awards are processed or changes to awards occur.

University Charges: San Diego State University policy is to apply financial aid and/or scholarship funds directly to charges for the semester's tuition and fees, residence hall charges, and other institutional expenses (including financial aid overpayments) before releasing funds to a student. Past due bills and other student account charges may delay the disbursement of funds until they are paid.

The University Bursar's Office will send you an email notice when your financial aid or scholarship funds are deposited to your bank account.

Direct Deposit is normally run on the following schedule:

- Every Friday - From disbursement bank account by the following Monday

Receiving Your Funds

At SDSU, Direct Deposit is the easiest, fastest and most secure way for students to receive financial aid and scholarships (the amount *after* institutional charges are deducted). Your refund may be deposited directly into your personal checking or savings account at your banking institution. Please click the link below to see how you can sign up.

[How to sign up for direct deposit in my.SDSU.](#)

Please note that the bank does not disburse funds into bank accounts on federal holidays.

Parent Loans

Parents can now authorize the university to disburse excess funds from their Parent Loan directly to the student. Please see the Parent Loan request form for more details.

When Parent PLUS Loan funds are available, any outstanding university charges are deducted and the remaining funds mailed to the parent borrower or if the parent borrower has authorized, the

remaining funds will be deposited to the student's designated bank account. If mailed, Parent Loan checks are normally printed on the following schedule:

- Fridays – Checks are mailed the following Tuesday

View Disbursement Information

To view a summary of how your financial aid disbursement was applied to your charges, please log into my.SDSU and click on the “Financial Account” Tile, followed by “Account Inquiry” and selecting “Account Activity”.

Summer Financial Aid Requirements

Good news! Additional funding from the CSU will be available for summer 2024. This is in addition to the Pell Grant, State University Grant (SUG), and Direct Loans normally awarded during summer session.

Most of your summer session fees ***could*** be covered by grants (awards that you do not have to repay) ***if*** you received a Pell Grant, SUG, Cal Grant, and/or California Middle Class Scholarship (MCS) during the fall 2023 and/or spring 2024 semesters. Summer SUG and Summer Enrollment Grant awards will be made until available funding is exhausted.

To be considered for summer financial aid you **must**:

- Be a continuing student from the spring semester or a new student who plans to enroll at SDSU for the fall semester.
- File a **FAFSA** for the 2023-2024 year and
- Maintain **satisfactory academic progress**.
- Enroll in **at least 6 units** for undergraduate and credential students, **and 5 units** for graduate students to become eligible for as many types of aid as possible.

We encourage all students to enroll in Direct Deposit to receive **all** refunds the easiest, fastest and most secure way. Your Financial Aid refund may be deposited directly into your personal checking or savings account at your banking institution. Please click the link below to see how to sign up.

Refunds may be applied against other amounts due to the university.

Refund Policy

Regulations governing the refund of mandatory fees, including nonresident tuition, are included in Section 41802 of Title 5, California Code of Regulations. For purposes of the refund policy, mandatory fees are defined as those system-wide fees and campus fees that are required to be paid in order to enroll in state-supported academic programs at the California State University.

Refunds of Financial Aid Funds (Return to Title IV)

When a student who has received Title IV financial aid withdraws, or otherwise fails to complete a period of enrollment for which he or she was charged, the institution is required to determine if a refund must be made to the student or if unearned aid must be returned to the federal accounts.

Calculations will be based on the withdrawal date and the percentage of the period of enrollment

completed. If Title IV funds have been disbursed during the enrollment period, aid will first be returned by the institution to the programs in the order listed below as required by law and determined by the university. If funds have been disbursed directly to the student, he or she may be required to repay any unearned aid. In some cases where eligibility for aid exceeds the amount disbursed, the regulations allow for a post-withdrawal disbursement, the university will notify you of the process required to receive the funds.

The University must return unearned funds for which it is responsible as soon as possible but no later than 45 days from the determination of a student's withdrawal.

Title IV Financial Aid consists of the following programs:

- Unsubsidized William D. Ford Federal Direct Loan
- Subsidized William D. Ford Federal Direct Loan
- William D. Ford Federal Direct PLUS Loan
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Teach Grant

Full refund

To receive a full refund of Basic Tuition and Fees, Nonresident Tuition and Professional Program fee, you must officially withdraw, or otherwise cancel your registration, **prior to the first day of instruction for the term**. A refund administrative fee of \$21.00 will be withheld. Students are not required to file a refund application. **Please note: if you do not complete the official withdrawal process, and only drop your classes online, your refund will not be processed until 4 to 6 weeks after the census date of July 18, 2024.**

Students will receive a full refund of mandatory/laboratory fees, if the following circumstances apply:

- The tuition and fees were assessed or collected in error
- The course for which the tuition and fees were assessed or collected was canceled by the university
- The University makes a delayed decision that the student was not eligible to enroll in the term for which the fees were assessed and collected and the delayed decision was not due to incomplete or inaccurate information provided by the student
- The student was activated for compulsory military service

Tuition and Fees Prorated Refund (see schedules below)

Starting with the first day of instruction, refunds for complete withdrawal or cancellation of

registration will be prorated, based on the Registrar's date of withdrawal and the percentage of the period of enrollment completed. A refund administrative fee of \$21.00 will be withheld. **An application for a refund is not needed.**

Prorated refunds will be processed for a student's complete withdrawal up to the 60 percent point of the term. A student who withdraws from the university *after the 60 percent point* in the academic period, or fails to officially withdraw through the Office of the Registrar shall not be entitled to any refund of Tuition and Fees. After the drop/add deadline of the semester, schedule adjustments are only permitted for exceptional circumstances.

Tuition and Fee Refunds Based on Unit Load

A student within the schedule adjustment period and in accordance with campus procedures, who drops from 6.1 units (or more) down to 6.0 units (or less), but never obtained over 6.0 units shall receive a refund of applicable Tuition and Fees. A refund administrative fee of **\$21.00** will be withheld. It is not necessary to file a refund application. **Refunds of this type will not be processed until after the census date (July 18, 2024).**

Appeal Process – Petition for Special Consideration

An appeals process exists for students who feel that individual circumstances warrant exceptions from published policy. Students should file a [“Petition for Special Consideration”](#). Petitions must be filed with the University Bursar’s Office prior to the end of the twelfth week of classes.

Petitions outside the scope of published policy in accordance with the deadlines stated in the Class Schedule, Catalog, and registration material are approved only when applicants can demonstrate exceptional circumstances and the chief financial officer or designee determines that the university did not earn Basic Tuition and Fees.

The following situations are typical of those for which “exceptional circumstances” is an appropriate justification for reviewing accounts:

1. Unexpected Medical Situation: verifiable accident, illness, or personal problems serious enough to cause withdrawal from the University.
2. Schedule adjustments based on department recommendation.
3. Death in the immediate family.
4. Other unusual or very special cases, considered on a case-by-case basis.

The following situations would not fall under “exceptional circumstances”:

1. Grade anticipated in class is not sufficiently high, or the student is failing.
2. Dissatisfaction with course material, instructional method, and/or professor.
3. Class is harder than expected.
4. Pressure of other classes, participation in social activities, or lack of motivation.
5. Inability to pay.
6. Work conflict.

The petition is intended for students who dropped classes outside of the dates listed on the refund schedule or failed to make proper payment resulting in subsequent mandatory fees but feel they have an exceptional circumstance which prevented them from meeting their obligation.
