Money Matter Summer 2026

Money Matters

Summer 2026 Money Matters

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory system wide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory system wide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 -66028.6 of the Education Code).

Students will be liable for amounts that become due as a result of such change.

my.SDSU.edu

[my.SDSU.edu](https://my.sdsu.edu) is the official online portal for student admissions, student records, financial aid, tuition and fee payment, and more. For guides on how to pay tuition, set up an Alternate Payer Account, or enroll in direct deposit, please refer to the [student guides](#) located on the my.SDSU website, in addition to the University Bursar's [website](#).

Liability of Payment

It is the student's responsibility to be aware of total fees due, whether or not a notice is received. Students are strongly encouraged to check their student email and student account for important information. Students with an approved Petition for Late Schedule Adjustment must pay, in addition to the \$20.00 late add fee, any fees that may be due as a result of the added units. For example, if a student is currently enrolled in 6 units and has an approved petition to add 3 additional units, in addition to the \$20.00 late add fee, the fees for the difference between part-time and full-time fees are due AFTER the [Office of the Registrar](#) processes the add request.

Summer 2026 Money Matters

Liability of Payment cont.

Please note: Dropping a course after the schedule adjustment deadline (based on an approved petition only) does not reduce fee liability. For example, a student enrolled in nine units who drops three units will remain liable for full-time Basic Tuition and Fees based on nine units of enrollment.

Students submitting authorization to bill a third party for Basic Tuition and Fees will be held responsible for payment if the third party agency fails to pay.

If a student is utilizing financial aid to fund their education, please note that there may be charges that cannot be covered by their financial aid award. Students are liable for any outstanding fees not covered or paid by financial aid.

According to Title 5 of the California Code of Regulations, Sections 42380 and 42381, should a student or former student fail to pay any debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt", in addition the University may also hold a diploma until the debt is paid.

Prospective students who register for courses offered by the university are obligated to pay Basic Tuition and Fees associated with the registration of those courses. Failure to cancel registration in any course for an academic term before the first day of the academic term gives rise to an obligation to pay Basic Tuition and Fees including any amounts due for the reservation of space in the course.

Registration Holds

All student account balances must be paid in full and all outstanding debt holds must be cleared prior to registration for future terms. Payments to clear holds must be made by cash, debit cards, money order, or certified check. Please note that students will be required to pay for tuition and fees even after the ADD/DROP date. For questions, contact the [Cal Coast Student Financial Center](#) for more information.

Tuition & Fees

Basic Tuition and Fees

Basic Tuition and Fees are required of all students. Campus fees are mandatory regardless of whether the student attends full-time, part-time, online, or abroad, even if the student does not anticipate using the programs or facilities supported by the fees.

Non-Resident and Graduate Business students pay the Basic Tuition and Fees as listed below and additional per unit tuition and fees (see Professional Business Fee and Nonresident Tuition sections below).

Campus fees are determined by the student's home campus (the campus to which they were admitted). If they transfer from one campus to another, they will be subject to the new home campus fees. These fees are not subject to cancellation under any circumstance. Thesis extension, other zero-unit courses, and half-unit courses are charged as one unit for fee purposes. Auditors pay the same fee as students carrying courses for credit.

Please refer to my.SDSU [Financial Account Tile](#) to view due dates and pay charges related to the summer term.

Online - ACH (Electronic Check)

Basic Tuition and Fees and other University charges can be paid using the [ACH payment option](#). ACH Payment is similar to writing a check and there is no additional charge for this option. If using a savings account, please contact your bank (or financial institution) before making payment to confirm a withdrawal is possible.

These fees apply to all forms of payments returned by a bank. Non-payment of Tuition and Fees may result in cancellation of a registration and withholding of further services until all financial liabilities have been resolved.

The University reserves the right to refuse payments by electronic check from those individuals who have previously had items returned for any reason (ex. insufficient funds) by their bank.

Please Note: If electronic check writing privileges are revoked, the student will have to wait one (1) year to be reinstated.

Students are able to use MasterCard, Visa, American Express, and Discover Card to pay Basic Tuition and Fees using Transact, our secure third party vendor. The University Bursar's Office does not accept credit cards for in-person payment of Basic Tuition and Fees and Installment Plan payments. Third Party Billing & Fee Waivers Programs

In some instances, student's tuition and fees may be partially or fully paid by outside agencies or waivers. Please see below.

CSU - Over 60 Fee Waiver Program

San Diego State University offers a fee waiver program for California residents 60 years of age and older. Both undergraduate and post-baccalaureate students may participate in the program. The program waives the \$70.00 admission application fee and most of the Basic Tuition and Fees. The student will be responsible for paying a substantially reduced fee each semester in order to attend. Please contact the [University Bursar's Office - Third Party](#) for the current fee amount. Participants must apply for admission during the regular application filing period and be admitted under regular SDSU admission requirements.

Participants register for classes on a space-available basis after regularly matriculated students have completed registration. For additional information, contact the [Prospective Student Center](#) at (619) 594- 6336.

Failure to do so will result in the fees being deducted from your financial aid award. Students submitting authorization to bill a third party for their fees will be held responsible for the payment if the third party agency fails to pay the fees within the semester of attendance.

Students should submit their authorization to the University Bursar's Office at least two weeks prior to the due date posted in my.SDSU. For more information visit the [University Bursar website](#).

Overpayments

In accordance with SDSU policy, overpayments on student accounts are not permitted. Payments submitted in excess of the amount due may be refused and returned by the University Bursar's Office.

Disbursement of Financial Aid and Scholarship Funds

Disbursement of Financial Aid and Scholarship Funds

All financial aid and scholarship payments are processed and disbursed by the University Bursar's Office

Notification and Schedule

Disbursement begins approximately 10 days prior to the first day of classes of each semester and continues throughout the semester as new awards are processed or changes to awards occur.

San Diego State University policy is to apply financial aid and/or scholarship funds directly to charges for the semester's basic tuition and fees, housing charges, and other eligible institutional expenses (including financial aid overpayments) at the time of disbursement. Any excess financial aid will be refunded to the student directly via direct deposit (if enrolled) or check within 14 days of disbursements.

IMPORTANT: Please note, that not all University fees are covered by financial aid. It is the student's responsibility to review their account for any outstanding balance not covered by their financial aid award.

The University Bursar's Office will send an email notification when financial aid or scholarship funds have been disbursed. Students are responsible for reviewing their account to determine whether any balance remains due. Financial aid disbursements typically occur on a weekly basis. Refunds issued via ACH may take up to three to four business days to process, while check refunds will be mailed to the address on file.

Receiving Financial Aid Funds

At SDSU, direct deposit is the easiest, fastest and most secure way for students to receive financial aid and scholarships (the amount after institutional charges are deducted). Refunds may be deposited directly to your personal checking or savings account at your bank.

Here are instructions for setting up [direct deposit](#).

Please note that banks do not deposit funds into accounts on banking holidays, which may delay your refund.

Parent Loans

Parents can authorize the university to disburse excess funds from a Parent Loan directly to the student. Please see the Parent Loan request form for more details. When Parent PLUS Loan funds are available, any eligible outstanding university charges are deducted and the remaining funds are mailed to the parent/borrower. If the parent/borrower has authorized, the remaining funds may instead be deposited into the student's designated bank account. If mailed, Parent Loan checks are normally printed on the following schedule:

- Checks are mailed weekly to the address on file. Please be aware that federal holidays may cause a mailing delay.

IMPORTANT: It is the parent's responsibility to contact the Cal Coast Student Financial Center of any address changes.

View Disbursement Information

To view a summary of how financial aid disbursements were applied to charges, log in to my.SDSU and navigate to the "Financial Account" tile. Then select "Account Inquiry" followed by "Account Activity".

Before funds can be disbursed, the student must be enrolled at least half time and you must resolve any financial aid and student account holds affecting their aid. For certain types of aid, you may need to complete additional information before disbursement of funds.

- Cal Grant A or B Access Grant - A student may request that their Cal Grant A or B Access Grant be disbursed directly to them. This request can be made at any time; however, if the grant has already been disbursed, the request would affect only future disbursements. The request may be made via the Cal Coast Student Financial Center.
- California Dream Act Service Grant - Students will be notified via their student email account with next steps.
- Excess Financial Aid funds will be sent within 14 days of disbursement unless we have received written authorization to hold the funds.

Summer Financial Aid Requirements

Good news! Additional funding from the CSU will be available for Summer 2026. This is in addition to the Pell Grant, State University Grant (SUG), and Direct Loans normally awarded during summer session.

Most of your summer session fees could be covered by grants (awards that you do not have to repay) if you received a Pell Grant, SUG, Cal Grant, and/or California Middle Class Scholarship (MCS) during the Fall 2025 and/or Spring 2026 semesters. Summer SUG and Summer Enrollment Grant awards will be made until available funding is exhausted.

To be considered for Summer financial aid students **must**:

- Be a continuing student from the Spring semester or a new student who plans to enroll at SDSU for the Fall semester.
- File a [FAFSA](#) for the 2025 - 2026 academic year
- Maintain [satisfactory academic progress](#) (SAP).
- Enroll in **at least 6 units** for undergraduate and credential students, and 5 units for graduate students to be considered for as many types of aid as possible.

Refunds of Non-Financial Aid Funds

Refunds of Non-Financial Aid Funds

If a student is due a refund for either withdrawing from the university by the withdrawal deadline or dropping units by the schedule adjustment deadline, they can enroll in direct deposit to have the funds directly deposited into a personal checking or savings account. It is not necessary to file an application for a refund, as these are processed automatically after the census date. Processing time will vary between 4-6 weeks.

Here are instructions for setting up [direct deposit](#).

If the student does not enroll in direct deposit, they will receive their refund in the following form:

- Basic Tuition and Fees paid using electronic Checking/Savings accounts (ACH) process, Checks, Money Orders, Certified Funds, Cash or Debit Cards, will receive the refund in the form of a SDSU check, if not signed up for direct deposit. All refund checks are mailed to the address on file with the Office of the Registrar.
- Tuition and Fees paid online using Credit Cards (Transact), will receive an electronic refund back to the credit card used to make the payment.

Tuition and fees paid by a 3rd party, (e.g. employer, government or military, foreign agency, etc.), payments will be refunded back to the 3rd party according to the regulations as stated in Section 41802 of Title 5 in the California Code of Regulations and following the Return to Title IV calculations.

Refund Policy

Regulations governing the refund of mandatory fees, including Non-Resident tuition, are included in Section 41802 of Title 5, California Code of Regulations. For purposes of the refund policy, mandatory fees are defined as those system-wide fees and campus fees that are required to be paid in order to enroll in state-supported academic programs at the California State University.

A refund administrative fee of \$21 will be withheld for all tuition and fees refunds.

Return to Title IV

When a student who has received Title IV financial aid withdraws or otherwise fails to complete a period of enrollment for which he or she was charged, the institution is required to determine if a refund must be made to the student or if unearned aid must be returned to the federal accounts.

Calculations will be based on the withdrawal date and the percentage of the period of enrollment completed. If Title IV funds have been disbursed during the enrollment period, aid will first be returned by the institution to the programs in the order listed below as required by Federal Law and determined by the university. If funds have been disbursed directly to the student, he or she may be required to repay any unearned aid. In some cases where eligibility for aid exceeds the amount disbursed, the regulations allow for a post-withdrawal disbursement. Should this apply, the University will notify the student of the process required to receive the funds.

The University must return unearned funds for which it is responsible as soon as possible but no later than 45 days from the determination of a student's withdrawal.

Title IV Financial Aid consists of the following programs:

- Unsubsidized William D. Ford Federal Direct Loan
- Subsidized William D. Ford Federal Direct Loan
- William D. Ford Federal Direct PLUS Loan
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Teach Grant

Full Refund

To receive a full refund of Basic Tuition and Fees, Non-Resident Tuition and Professional Program fee, a student must officially withdraw, or otherwise cancel their registration prior to the first day of instruction for the term. A refund administrative fee of \$21 will be withheld from the refund. Students are not required to file a refund application.

Full Refund cont.

Please note: If the student does not complete the official withdrawal process and only drops their classes online, their refund will not be processed until after the census date.

Students will also receive a full refund of mandatory fees under the following circumstances:

- The tuition and fees were assessed or collected in error.
- The course for which the tuition and fees were assessed or collected was canceled by the university.
- The University makes a delayed decision that the student was not eligible to enroll in the term for which the fees were assessed and collected and the delayed decision was not due to incomplete inaccurate information provided by the student.
- The student was activated for compulsory military service.

Tuition and Fees Prorated Refund Schedule (see schedules below)

Starting with the first day of instruction, refunds for complete withdrawal or cancellation of registration will be prorated based on the date of withdrawal and the percentage of the period of enrollment completed. A refund administrative fee of \$21 will be withheld for any refund due. It is not necessary to file an application for refund.

Prorated refunds will be processed for a student's complete withdrawal up to the 60 percent point of the term. A student who withdraws from the university after the 60 percent point in the academic period, or fails to officially withdraw from the campus shall not be entitled to any refund of Basic Tuition and Fees. After the drop/add deadline of the semester, schedule adjustments are only permitted for extremely serious, documented cases involving health or accident.

If Tuition & Fees have been paid in full, please refer to the "Percent Refunded**" column.*

If Tuition & Fees have not been paid in full, please refer to the "Percent Owed**" column.*

Tuition and Fee Refunds Based on Unit Load

A student within the schedule adjustment period and in accordance with campus procedures, who reduces their credit load, shall receive a refund of applicable fees, less a \$21 administrative fee, to be processed after the census date. It is not necessary to file a refund application.

***Important:** The refund schedules below are accurate for students who are enrolled in only one summer session. For students enrolled in more than one session, the refund calculation will vary based on their unit load, the number of sessions enrolled in, and dates of adjustment.

Summer 2026 Student Parking Fee Refund Schedule

Parking Fee Refund information is available on the Parking Services website under the [Permit link](#).

Appeal Process

Appeal Process - Petition for Special Consideration

An appeals process exists for students who feel that individual circumstances warrant exceptions from published policy. Students should file a “[Petition for Special Consideration](#)” obtainable online on the University Bursar’s Office website. Petitions must be filed with the University Bursar’s Office before the end of the twelfth week of classes and only after approval from the Registrar’s Office.

Petitions outside the scope of published policy in accordance with the deadlines stated in the Class Schedule, Catalog, and registration material are approved only when applicants can demonstrate exceptional circumstances and the chief financial officer or designee determines that the university did not earn Basic Tuition and Fees.

The following situations are typical of those for which “exceptional circumstances” is an appropriate justification for reviewing accounts:

1. Unexpected medical situation: verifiable accident, illness, or personal problems serious enough to cause withdrawal from the University.
2. Schedule adjustments based on department recommendation.
3. Death in the immediate family.
4. Other unusual or very special cases, considered on a case-by-case basis.

The following situations would not fall under “exceptional circumstances”:

1. Grade anticipated in class is not sufficiently high, or the student is failing.
2. Dissatisfaction with course material, instructional method, and/or professor.
3. Class is harder than expected.
4. Pressure of other classes, participation in social activities, or lack of motivation.
5. Inability to pay.
6. Work conflict.

The petition is intended for students who dropped classes outside of the dates listed on the refund schedule or failed to make proper payment resulting in subsequent mandatory fees but feel they have an exceptional circumstance which prevented them from meeting their obligation.

****Please note that petitions may take approximately eight weeks from the date of submission for review. Incomplete or insufficient supporting documentation may extend the review timeline. Please monitor your email for additional requests to avoid delays.**
