Money Matter Fall 2024

Money Matters

Fall 2024 Money Matters

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory system wide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory system wide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 -66028.6 of the Education Code).

Students will be liable for amounts that become due as a result of such change.

my.SDSU.edu

[my.SDSU.edu](https://my.sdsu.edu) is the official online portal for student admissions, student records, financial aid, tuition and fee payment, and more. Use the navigation options below to learn more about how to best utilize and enhance your my.SDSU experience. For guides on how to pay tuition, setting up a payer account, or enrolling in direct deposit, please refer to the [students guides](#) located on the my.SDSU website.

Liability of Payment

It is the student's responsibility to be aware of total fees due whether or not a notice is received. We highly encourage students to check their student email for important information. Students with an approved Petition for Late Schedule Adjustment must pay, in addition to the \$20.00 late add fee, any fees that may be due as a result of the added units. For example, if a student is currently enrolled in 6 units and has an approved Petition to add 3 additional units, in addition to the \$50.00 late fee, the fees for the difference between part-time and full-time fees are due BEFORE the [Office of the Registrar](#) will process the add request.

Fall 2024 Money Matters

Liability of Payment cont.

Please note: Dropping a class after the schedule adjustment deadline (based on approved Petition only) does not reduce your fee liability. If you are enrolled in 9 units and drop 3 units, you will still be liable for full-time Basic Tuition and Fees.

Students submitting authorization to bill a third party for their Basic Tuition and Fees will be held responsible for payment if the third party agency fails to pay. If you are a student utilizing Financial Aid to fund your education, please note that there may be charges that cannot be covered by your financial aid award. Students are liable for any outstanding fees not covered or paid by financial aid. According to Title 5, of the California Code of Regulations, Sections 42380 and 42381, should a student or former student fail to pay any debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt" until the debt is paid.

Prospective students who register for courses offered by the university are obligated for the payment of Basic Tuition and Fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay Basic Tuition and Fees including any amounts due for the reservation of space in the course.

Registration Holds

All student account balances must be paid in full and all cashier holds must be cleared prior to registration for future terms. Payments to clear holds must be made by cash, debit cards, money order, or certified check. Please note, students will be required to pay for a percentage of their tuition and fees even after ADD/DROP date. For questions, contact the University Bursar's Office for more information.

Tuition & Fees

Basic Tuition and Fees

Basic Tuition and Fees are required of all students. Campus fees are mandatory whether they attend full-time, part-time, online, or abroad—even if the student does not anticipate using the programs or facilities supported by the fees.

Non-Resident and Graduate Business students pay the Basic Tuition and Fees as listed below and additional per unit tuition and fees (see Professional Business Fee and Nonresident Tuition sections below).

Campus fees are determined by your home campus (the campus to which you were admitted). If you transfer from one campus to another, you will be subject to your new home campus fees. These fees are not subject to cancellation under any circumstance. Thesis extension, other zero-unit courses, and half-unit courses are charged as one unit for fee purposes. Auditors pay the same fee as students carrying courses for credit.

Student Involvement and Representation Fee \$2.00 (SIRF - Optional Fee)

The CSU Board of Trustees adopted the SIRF, establishing a stable funding model for the California State Student Association (CSSA). The new funding model expands independence and builds capacity to engage students in advocacy and policy making. The funding model consists of a \$2 per-term fee assessed to each CSU student, on a voluntary basis, allowing the choice to opt-out each semester. SDSU students can opt out of this fee by logging into my.SDSU.edu, selecting the following:

- Select “Financial Account”
- Select “Account Inquiry”
- Click “SIRF Opt Out” button
- Select Reason
- Click “Opt Out”

The deadline for opting out of SIRF is 30 days after the term census date. For the Fall 2024 term that day is October 23, 2024.

Professional Program Fee

Graduate students in the College of Business must pay **\$285 per unit** for all units taken as a requirement for graduation with the following degrees. This fee is in addition to Basic Tuition and Fees and Nonresident tuition.

- MBA Master of Business
- MS Business Administration
- MS Information Systems
- MS in Cybersecurity Management
- MS in Global Business Development
- BS in International Business/MS Global Business Development

Tuition for Non-Resident Students (International or Out-Of-State)

In addition to Tuition and Fees, International and out-of-state students will be charged tuition for all units attempted at a rate of **\$420 per unit**.

For tuition purposes, zero-unit and half-unit courses are counted as one unit. Auditors pay the same tuition as students carrying for credit.

Tuition for Non-Resident students may be paid using any of the methods outlined under Payment Options. If you are subject to non-resident tuition and do not pay in full prior to the due date, your enrollment will be canceled. Students can also avoid enrollment cancellation by enrolling in a Tuition Payment Plan.

Tuition for Non-Resident Students (International or Out-Of-State) cont.

Health Insurance (mandatory for foreign students) is approximately \$1,282.00 per year.

Minimum Payment Requirements for Foreign Students:

- Undergraduate international students must pay for, or sign a tuition fee installment payment agreement for a minimum of 12 units.
- Graduate international students must pay for, or sign a tuition fee installment payment agreement for a minimum of 9 units.

Out of State and International Student Fee

Effective Fall 2023, incoming Out-of-State and International students as well as future incoming cohorts, will be required to pay an additional fee per semester until graduation. Out-of-State and International students will be required to pay this fee in addition to Non-Resident Tuition (\$420 per unit).

Non-Resident students in any SDSU doctoral program, including joint doctoral programs, are exempt from paying the Out of State and International Student Fee.

SDSU will waive the SDSU Out-of-State and International Student fee (Category II), established in Fall 2023, for individual students who are enrolled in a San Diego State University graduate program who are classified or conditionally classified as graduate students and who are employed by San Diego State University as Teaching Associates (Class Code 2353 or 2354).

Payment Options

Payment Options

Please refer to your my.SDSU Financial Account Tile to pay charges related to the fall term.

Online - ACH (Electronic Check)

You may pay your Basic Tuition and Fees and other charges using the [ACH payment option](#). This is just like writing a check. There is no additional charge for this option. You will need your bank routing and checking account number; which is not the same as your debit card number.

If your payment is returned by your bank to the University Bursar's Office for any reason, you will be billed a \$35 dishonored payment charge and a \$50 late fee when applicable (this fee applies to all forms of payment that are returned by your bank). Non-payment of Tuition and Fees may result in cancellation of your registration and withholding of further services until all financial liabilities have been resolved.

The university reserves the right to refuse payments by electronic check from those individuals who have previously had items returned unpaid by their bank.

Please Note: If your electronic check writing privileges are revoked, you will have to wait one (1) year to be reinstated.

Online - Credit Card

Students are able to use MasterCard, Visa, American Express, and Discover Card to pay Basic Tuition and Fees using CASHNet™ SmartPay, our secure third party vendor. The University Bursar's Office does not accept credit cards for in-person payment of Basic Tuition and Fees. Payments made using CASHNet™ SmartPay are normally posted to the student's account in real time. CASHNet™ SmartPay assesses each customer a 2.65% service charge based on the transaction amount. See [CashNet™ website](#) for more details

San Diego State University offers a fee waiver program for California residents 60 years of age and older. Both undergraduate and post-baccalaureate students may participate in the program. The program waives the \$70.00 admission application fee and most of the Basic Tuition and Fees. The student will be responsible for paying a substantially reduced fee each semester in order to attend. Please contact the [University Bursar’s Office](#) for the current fee amount.

Participants must apply for admission during the regular application filing period and be admitted under regular SDSU admission requirements.

Disbursement of Financial Aid and Scholarship Funds

Disbursement of Financial Aid and Scholarship Funds

All financial aid and scholarship payments are processed and disbursed by the University Bursar's Office

Notification and Schedule

Disbursement begins 10 days prior to the first day of classes of each semester and continues throughout the semester as new awards are processed or changes to awards occur.

San Diego State University policy is to apply financial aid and/or scholarship funds directly to charges for the semester's basic tuition and fees, residence hall charges, and other eligible institutional expenses (including financial aid overpayments) at the time of disbursement. Any excess financial aid will be refunded to the student directly via direct deposit (if enrolled) or check.

Please be aware that not all University fees can be covered by financial aid. It is the student's responsibility to review their account for any outstanding balance not covered by their financial aid award.

The University Bursar's Office will send an email notice when financial aid or scholarship funds have been processed. Students are responsible for checking their account for any remaining balance due.

Financial Aid disbursements process runs on the following schedule:

- Weekly on Fridays .
- ACH refunds can take up to 3 - 4 business days.
- Check refunds will be mailed to address on file.

Receiving Your Funds

At SDSU, Direct Deposit is the easiest, fastest and most secure way for students to receive financial aid and scholarships (the amount after institutional charges are deducted). Your refund may be deposited directly into your personal checking or savings account at your bank.

Here are instructions for setting up [Direct Deposit](#).

Please note that the bank does not disburse money into bank accounts on holidays.

Parent Loans

Parents can authorize the university to disburse excess funds from their Parent Loan directly to the student. Please see the Parent Loan request form for more details. When Parent PLUS Loan funds are available, any outstanding university charges are deducted and the remaining funds mailed to the parent or borrower or if the parent/borrower has authorized, the remaining funds will be deposited to the student's designated bank account. If mailed, Parent Loan checks are normally printed on the following schedule:

- Fridays – Checks are mailed either Friday or Monday

View Disbursement Information

To view a summary of how your financial aid disbursement was applied to your charges, please log into my.SDSU and click on the “Financial Account” Tile, followed by “Account Inquiry” and selecting “Account Activity”.

For some types of aid, you may need to complete additional information before disbursement of funds.

- Cal Grant A or B Access Grant - A student may request that their Cal Grant A or B Access Grant be disbursed directly to them. This request can be made at any time; however, if the grant has already been disbursed, the request would affect only future payments. The request may be made in person at the University Bursar's Office.
 - California Dream Act Service Grant - Students will be notified via their student email account when checks are available to pick up at the University Bursar's Office.

Refunds of Non-Financial Aid Funds

Refunds of Non-Financial Aid Funds

If you are due a refund for either withdrawing from the university by the withdrawal deadline or dropping units by the schedule adjustment deadline you may enroll in direct deposit to have the funds directly deposited into a personal checking or savings account.

Here are instructions for setting up [Direct Deposit](#).

If you do not enroll in direct deposit, you will receive your refund in the following form:

- Basic Tuition and Fees paid using Checks, Money Orders, Certified Funds, Cash or Debit Cards, will receive the refund in the form of a SDSU check. All refund checks are mailed to the address on file with the Office of the Registrar.
- Tuition and Fees paid online using our electronic Check /Savings accounts (ACH) process, will receive an electronic refund to the account used to make the payment.
- Tuition and Fees paid online using Credit Cards (CashNet™ SmartPay), will receive an electronic refund back to the credit card used to make the payment.

Tuition and fees paid by a 3rd party, (e.g. employer, government or military, foreign agency, etc.), payments will be refunded back to the 3rd party according to the regulations as stated in Section 41802 of Title 5 in the California Code of Regulations and following the Return to Title IV calculations.

Refunds may be applied against other amounts due to the university.

Refund Policy

Regulations governing the refund of mandatory fees, including nonresident tuition, are included in Section 41802 of Title 5, California Code of Regulations. For purposes of the refund policy, mandatory fees are defined as those system-wide fees and campus fees that are required to be paid in order to enroll in state-supported academic programs at the California State University.

Return to Title IV

When a student who has received Title IV financial aid withdraws or otherwise fails to complete a period of enrollment for which he or she was charged, the institution is required to determine if a refund must be made to the student or if unearned aid must be returned to the federal accounts.

Calculations will be based on the withdrawal date and the percentage of the period of enrollment completed. If Title IV funds have been disbursed during the enrollment period, aid will first be returned by the institution to the programs in the order listed below as required by Federal Law and determined by the university. If funds have been disbursed directly to the student, he or she may be required to repay any unearned aid. In some cases where eligibility for aid exceeds the amount disbursed, the regulations allow for a post-withdrawal disbursement, the university will notify you of the process required to receive the funds.

The University must return unearned funds for which it is responsible as soon as possible but no later than 45 days from the determination of a student's withdrawal.

Title IV Financial Aid consists of the following programs:

- Unsubsidized William D. Ford Federal Direct Loan
- Subsidized William D. Ford Federal Direct Loan
- William D. Ford Federal Direct PLUS Loan
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Teach Grant

A refund administrative fee of \$21 will be withheld. Students are not required to file a refund application.

Full Refund cont.

Please note: if you do not complete the official withdrawal process, and only drop your classes online, your refund will not be processed until after the census date.

Students will also receive a full refund of mandatory fees under the following circumstances:

- The tuition and fees were assessed or collected in error.
- The course for which the tuition and fees were assessed or collected was canceled by the university.
- The University makes a delayed decision that the student was not eligible to enroll in the term for which the fees were assessed and collected and the delayed decision was not due to incomplete inaccurate information provided by the student.
- The student was activated for compulsory military service.

Tuition and Fees Prorated Refund Schedule (see schedules below)

Starting with the first day of instruction, refunds for complete withdrawal or cancellation of registration will be prorated based on the date of withdrawal and the percentage of the period of enrollment completed. A refund administrative fee of \$21 will be withheld. It is not necessary to file an application for refund.

Prorated refunds will be processed for a student's complete withdrawal up to the 60 percent point of the term. A student who withdraws from the university after the 60 percent point in the academic period, or fails to officially withdraw from the campus shall not be entitled to any refund of Basic Tuition and Fees. Appeal Process

Appeal Process - Petition for Special Consideration

An appeals process exists for students who feel that individual circumstances warrant exceptions from published policy. Students should file a “Petition for Special Consideration” obtainable at the University Bursar’s Office. Petitions must be filed with the University Bursar’s Office before the end of the twelfth week of classes and only after approval from the Registrars Office.

Petitions outside the scope of published policy in accordance with the deadlines stated in the Class Schedule, Catalog, and registration material are approved only when applicants can demonstrate exceptional circumstances and the chief financial officer or designee determines that the university did not earn Basic Tuition and Fees.

The following situations are typical of those for which “exceptional circumstances” is an appropriate justification for reviewing accounts:

1. Unexpected medical situation: verifiable accident, illness, or personal problems serious enough to cause withdrawal from the University.
2. Schedule adjustments based on department recommendation.
3. Death in the immediate family.
4. Other unusual or very special cases, considered on a case-by-case basis.

The following situations would not fall under “exceptional circumstances”:

1. Grade anticipated in class is not sufficiently high, or the student is failing.
2. Dissatisfaction with course material, instructional method, and/or professor.
3. Class is harder than expected.
4. Pressure of other classes, participation in social activities, or lack of motivation.
5. Inability to pay.
6. Work conflict.

The petition is intended for students who dropped classes outside of the dates listed on the refund schedule or failed to make proper payment resulting in subsequent mandatory fees but feel they have an exceptional circumstance which prevented them from meeting their obligation.
